Pictured, linear composition of Scavolini's LiberaMente collection with Mineral Green matt lacquered doors and Garden Walnut decorative melamine doors. The harmonious appeal of Mineral Green used for the recessed grip profiles, base units and plinths constitutes an extremely classy detail: this matt lacquered colour distinguishes the operational areas of the kitchen, and matches the textured feel of Calce Nero porcelain stoneware to perfection. The wall units and tall units are in Garden Walnut decorative melamine with vertical grain, Photo © Scavolini's LiberaMente

Elemental silhouettes, clear-cut and functional geometric shapes for a kitchen with a versatile style that enhances everyday spaces with contemporary appeal. This best describes LiberaMente, one of Scavolini's best-selling collections marked by minimal design and styling in pursuit of the utmost freedom of composition.

Pictured, corner composition of Scavolini's LiberaMente collection with Concrete Jersey decorative melamine doors for the base units and open-fronted larder unit and Voyage Oak decorative melamine doors for the tall units, shelves and wall panel. Matt Motley Quarz top with 20 mm thick profile – silver finish recessed grip profiles and steel finish aluminium plinth. Simple, yet striking style, that does not forgo practicality thanks to the Setup accessorised wall panel. In the background, the Fluida Wall System to match the kitchen, with Concrete Jersey decorative melamine doors, Photo © Scavolini's LiberaMente

Pictured, Scavolini's LiberaMente composition with island with Statuario laminate doors and Iron Grey matt lacquered doors. The operational part plays the starring role of this composition: the cooking area stands out for the Statuario laminate worktop – 40 mm thick – and it is equipped with a retractable hood; the washing area on the other hand features a satin finish steel top – 20 mm thick – with built-in sink basins. Recessed grip profile and plinth in Iron Grey finish, Photo © Scavolini's LiberaMente

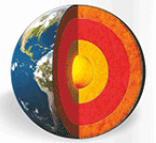

LiberaMente guarantees functional solutions that blend in seamlessly with the rest of the home marked by contemporary shapes and materials.

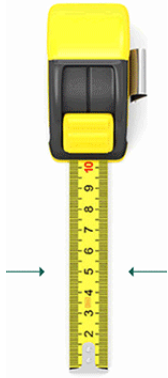

Pictured, linear composition of Scavolini's LiberaMente collection with Prestige White polished glass doors on the base units, wall units and tall units, providing stark contrast for the Grey Stone laminate tops and wall panels. The "Fluida" Wall System is in Pure White decorative melamine. Recessed grip profile and plinth are both White, Photo © Scavolini's LiberaMente

With this collection, customers can create **island or peninsula compositions, models with significant volumes or linear configurations** with clean-cut silhouettes to accommodate the need for convenience and style.

Pictured, composition with central island from Scavolini's LiberaMente collection with Jaipur Red Fenix NTM® doors and Dune Oak veneered doors. Jaipur Red Fenix NTM® laminate distinguishes the 12 mm-thick worktop, the washing area with built-in sink basins and the doors of the wall-mounted composition to create an elemental, modern and highly functional style. The worktop on the island and cooking area is on the other hand in Coral Clay Quarz - 20 mm thick -, blending in seamlessly with the colours of this room. Recessed grip profile and plinth are both bronze-finish. The living area combines the same finishes as the kitchen, namely Jaipur Red Fenix NTM® laminate with Dune Oak veneer with vertical grain, Photo © Scavolini's LiberaMente

Pictured, composition with central island from Scavolini's LiberaMente collection with Jaipur Red Fenix NTM® doors and Dune Oak veneered doors. Jaipur Red Fenix NTM® laminate – an extremely high-end matt material – distinguishes the 12 mm-thick worktop, the washing area with built-in sink basins and the doors of the wall-mounted composition to create an elemental, modern and highly functional style. The worktop on the island and cooking area is on the other hand in Coral Clay Quarz – 20 mm thick -, blending in seamlessly with the colours of this room. Recessed grip profile and plinth are both bronze-finish, Photo © Scavolini's LiberaMente

Further essentials of the **LiberaMente** model are the **open-fronted painted metal wall units** – available in both White and Anthracite, which value the design and personality of the structure, also thanks to the combination with wall units **with slanted door**.

Pictured, the cooking area of the composition with central island from Scavolini's LiberaMente collection with base units in Ottawa Beaver Fenix and induction hob. A personality-packed wall panel in Kelya Dekton, the same material used in the 20 mm thick top of the central island – fitted with Oxide Bronze decorative melamine base units, Photo © Scavolini's LiberaMente

The focus of the collection lies in the balanced **textured sensations that make interesting combinations possible** thanks to an extensive variety of finishes and materials available:

- **decorative melamines** in Larch, Walnut, Oak, Teak, Elm, Stained finishes and concrete effects;
- **glossy, matt and stained look lacquered**, in several new shades, including Moon Blue and Mineral Green;
- **matt laminates** in new textured finishes, including Calacatta, Statuario and Grey Stone;
- Walnut and Oak **veneers** in 10 different grades to highlight the texture of the wood;
- **porcelain stoneware** in 10 metropolitan flavoured hues;
- **polished or matt glass**;
- **Biomalta** with 4 new, elegant clay finishes offering a tactile experience;
- **leather and leatherette**;
- **Fenix NTM®** with its metropolitan look and feel, in 9 different finishes.

Living

LiberaMente is also a solution for Living rooms: **the living room joined to the kitchen** is now a staple in most current home furnishing trends. This collection is designed to reorganise space in a surprising way, by combining **beguiling colour contrasts and different materials**: marble effect laminates, available for doors and tops; warm Walnut and Oak decorative melamines, all with vertical grain; textured effect Biomalta with a metropolitan feel; attractive metal effect lacquers. All of which afford unmistakable style.

Pictured, LiberaMente living room composition by Scavolini oozing industrial appeal for a dynamic living room: base units in Oxide Bronze decorative melamine, combined with Iron Grey matt lacquered open-fronted elements. The starring role is played by the Anthracite coloured "Metro" Wall System with Concrete Harlem decorative melamine shelves, Photo © Scavolini's LiberaMente_Living

Μερικά πράγματα,
η φύση φροντίζει
να είναι απόλυτα μοναχένα...

Pictured, LiberaMente living area by Scavolini where the Moon Blue lacquered base units make this minimal configuration truly elegant, thanks also to the matt glass top in the same colour. The White metal open-fronted wall unit adds a touch of brightness, Photo © Scavolini's LiberaMente_Living

The settings can be further embellished by introducing the **Metro Wall System** which with its industrial feel incorporates and at the same time separates the kitchen from the living room with sophisticated and dynamic solutions.

The distribution of space can also be organised using the attractive **Fluida Wall System** that can be used as a bookcase, larder or partition.

Distinguishing features of the model include the wall-mounted cabinets, which are both functional and feature contemporary styling, the reduced height cabinets, the stylish open-fronted elements, and also shelves, and TV areas.
